I hereby apply for Associate Membership in the Naperville Flying Club for the time period (Membership Term) specified above, and agree to prepay my first three (3) months of dues immediately upon acceptance by the Club. I understand and accept the rights and responsibilities of a Club member, and I agree to abide by all rules and regulations as specified in the Club By-laws and Policy & Procedure Manual, and hereby attest that I have received copies of same. I agree to pay for all charges incurred by me during my Associate Membership time period. Said charges include: monthly dues that are current and in effect at the time of the charge; and all flight time logged by me in Club aircraft. I understand that my Associate Membership includes an equity buy-in as indicated by the Share Purchase amount. This amount represents a fractional-share. I understand that monthly dues represent neither a separate share purchase in the Club, nor any further equity buy-in to the Club or of any of its assets. I understand that my monthly dues grant me certain rights and privileges to Club aircraft and facilities as specified in the Club's By-laws and Policy & Procedure Manual. I understand that the monthly dues may change from time to time upon a vote of Regular Members as specified in the Club By-laws. I understand that any flight time logged by me in Club aircraft is charged at a rate in effect at the time of the flight and billed to me separately and payable by me. I understand that said charges for flight time are in addition to the monthly dues. I understand that if the share to which my Associate Membership belongs is sold or is otherwise changed such that Associate Membership is no longer possible, any monies including Share Purchase that I have prepaid to the Club will be refunded to me by the Club less any outstanding charges, including those charges for logged flight time that have not yet been billed to me.

I certify the above information is true and correct.
